CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

**ASSEMBLY BILL**

**No. 2663**

---

**Introduced by Assembly Member Bonnie Lowenthal**  
(Coauthor: Senator Lowenthal)

February 19, 2010

---

An act to add Article 7.1 (commencing with Section 53834) to Chapter 4 of Part 1 of Division 2 of Title 5 of the Government Code, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

AB 2663, as amended, Bonnie Lowenthal. Local government: federal fiscal year.

Existing state constitutional law requires specified revenues from the ad valorem tax on real property, the Highway Users Tax Account, the Transportation Investment Fund, and the revenue from taxable property in a redevelopment project to be deposited in various accounts and to be allocated, in part, to cities, counties, or cities and counties, for prescribed purposes. Existing law also requires, for specified periods during the 2009–10 and 2010–11 fiscal years, the borrowing, transfer or suspension of these allocated revenues, as prescribed.

This bill would make several legislative findings and declarations relating to cities, counties, and cities and counties that observe the federal fiscal year calendar. The bill would provide that if the Legislature transfers, borrows from, or suspends these allocated revenues, the respective transaction would be suspended during the months of July, August, and September for a city, county, or city and county observing the federal fiscal year. The transfer, borrowing, or suspension of revenues would instead commence on October 1.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 SECTION 1. The Legislature finds and declares all of the  
2 following:

3 (a) Cities, counties, and cities and counties observing the federal  
4 fiscal year calendar instead of the state fiscal year calendar  
5 experience an additional burden when the state borrows or suspends  
6 local government revenues in the first three months of the state  
7 fiscal year.

8 (b) The required transfer, suspension, or borrowing of funds by  
9 the state in the months of July, August, or September require cities,  
10 counties, and cities and counties observing the federal fiscal year  
11 calendar to make drastic budgetary reductions in the last three  
12 months of their fiscal year.

13 (c) Relief is needed so that cities, counties, and cities and  
14 counties that observe the federal fiscal year calendar may remit  
15 those payments to the state at the beginning, rather than at the end,  
16 of their fiscal year.
